

I seek refuge in the GOD from satan, the rejected

In The name of GOD Most gracious, most mercifull

666 men

[74:30] Over it is nineteen.

19 is One of the great miracles provides the **first** physical evidence that the Quran is God's message to the world. 19-based miracle :

[74:31] We appointed angels to be guardians of Hell, and we assigned their number (19)

- (1) to disturb the disbelievers,
- (2) to convince the Christians and Jews (that this is a divine scripture),
- (3) to strengthen the faith of the faithful,
- (4) to remove all traces of doubt from the hearts of Christians, Jews, as well as the believers, and
- (5) to expose those who harbor doubt in their hearts, and the disbelievers; they will say, "What did GOD mean by this allegory?" GOD thus sends astray whomever He wills, and guides whomever He wills. None knows the soldiers of your Lord except He. This is a reminder for the people.

Nun is One of the great miracles provides the **next** physical evidence that the Quran is God's message to the world. Many of **Sunni** and **Shia** people think that mathematical miracle of 19 is false and is fabricated by Rashad khalifa. now it is time to call on all the **Sunni** and **Shia** people to take lesson from this matter. if Rashad khalifa changed the Noon (ن) to Nun (نون) in 68:1 , it wasn't from himself , it was from God. Some persons after rashad khlaifa converted Noon to dblnoon (نن). but GOD now proved for us that Nun(نون) is correct. We must take lesson from this matter that **we must rely on messenger of Covenant**

[74:30] Over it is nineteen.

GV of 74:30 is **1221**. GV of Rashad Khalifa is **1230**.

$$1221+1230=2451=19*129$$

Noon letter is **14th** letter in abjad system and in initial letters too. GOD has mentioned this initial on sura 68 (6+8=**14**). GOD after Nun point to pen in 68:1,

نون^ع وَالْقَلَمِ وَمَا يَسْطُرُونَ

[68:1] NuN, the **pen**, and what they (the people) write.

Sura 68 starts with initial Noon and count of letter Noon (ن) in sura 68 is **133 (19*7)**. In the general Quran this initial has been written as one letter Noon (ن) But it is incorrect. **19** year after death of prophet Moahamad two false verses was added to Quran and the verse 68:1 was corrupted. Collectors of Quran think that this initial is like other initials ; because all other initial written by one letter except this initial. They made mistake about this initial and GOD showed us that the Nun (نون) is correct not Noon(ن) or not DblNoon (نن). There are **14** initial letters. **14** is very important in initial letter. Noon is **14th** letter in Abjad system. It is interesting that 68:1 has **14** initial letters. The first verse that revealed to prophet Mohamad was 96:1 and it has **14** initial letter too. Sura 68 (6+8=**14**) starts with Nun.

One sura in the Quran it's title is "The Pen" that is sura 68 . It starts with the letter Nun . The letter noon (ن) in Arabic is like **bowl of ink** .

نون = Nun = bowl of ink

القلم = The pen = the tool that write by it

ما يسطرون = the things that written by pen and Nun

Pen is for writing and it is about hand-writing miracle of Quran and we get good result that Nun letters are protector of Quran text .there are **14** versions of quran like Hafs , Warsh and Qaloon .God has promised us that he protect Quran himself.God's will is on top of all wills. He has protected main Quran in Hafs version. Messenger of God Dr.Khalifa purified it and now Hafs version by God will is main Quran 99.9999 percent. May be it has a few errors in alef but purified Hafs version is main Quran 99.9999%.

Sura 68 is 2th sura that has revealed to prophet Mohamad.God revealed Quran to prophet Mohamad in night of 27th ramadhan . but after first revelation , God stopped revelation 3 year to him. And God continued revelation to him with sura 68 after 3 year.First verse that revealed to prophet Mohamad was 96:1. Second group of verse that revealed to prophet Mohamad was 68:1.GV of 68:1 is **695** and GV of 96:1 is **2098**.

$$695+2098=2793=19*147$$

God has revealed Noon proof to me in night of 27th ramadhan year 2000.at that time i was mohamadan yet.at that night i saw prophet Mohamad at my dream ; i jumped from my dream by saying four times Allahu Akbar.at this dream i didn't see face of prophet Mohamad clearly.After period of time satan whispered me that maybe i am like prophet mohamad.But God fortunately saved me from satan theory and God show me another messenger that i am like him 99%.That messenger is "Yosha ben nun" ("يوشع بن نون") . God hasn't mentioned name of "يوشع بن نون" by name in Quran. But i am like him 99%. The proof that confirm this matter:

Gv of my name is **273** and gv of "يوشع بن نون" is **544**.

$$273+544=817=19*43$$

There are **14** version of Quran that only one of them is correct. It is Hafs version. God has purified Quran Hafs version by Dr.khalifa.He protect Quran by his will through many factors that we don't know all of them.

God has revealed to me these patterns in 27th ramadhan night of destiny .verse 97:1 is about night of destiny.Gv of 68:1 is **695**. it is interesting gv of 97:1 is **695** too.GV of night of destiny in arabic (ليلة القدر) is **410**.GV of my name is **273**.

$$273+410+666 \text{ men} =1349=19*71$$

$$273410=19*14390$$

إِنَّا أَنْزَلْنَاهُ فِي لَيْلَةِ الْقَدْرِ

[97:1] We revealed it in the Night of Destiny.

نُونٌ وَالْقَلَمِ وَمَا يَسْطُرُونَ

[68:1] NuN, the pen, and what they (the people) write.

GV of my name is **273**.Gv of letter Noon is **50**.If we sum these two numbers then we have:

$$273+50=323=19*17$$

One of important number in previous scriptures is **666**. Satan has demolished 666 for Christians and has demolished 19 for Mohamadans too. It looks like that Satan has used one tactic for both groups. **666** has been formed from three six. **666** is **identity** for Quran and God by his will shall send **666** men to Guide us to right path until day of resurrection. These men are messengers of God or known as mahdi (guiders by God will). These men Guide us to straight path.

[36:1] Y. S.*

[36:2] And the Quran that is full of wisdom.

[36:3] Most assuredly, you (**666 men**) are one of the messengers.*

[36:4] On a straight path.

666 is identity of Quran and 666 is number of messengers of God until day of resurrection too. GV of letter Waw is **6** in arabic. **WWW** (world wide web) means **three waw or three six or 666**. 666 men (messengers of GOD) Call people of the World to GOD Alone in WWW environment by **Pen** of Quran.

Jesus , Mahdi , Emame Zaman

Theory of Mahdi divided throughout history into three part:

- 1- Jesus (Christian and many Muslims claim that Jesus will come back)
- 2- Emame Zaman
- 3- Mahdi

Emame zaman:

Many of Muslims are waiting their Emam. Emame zaman means leader of time. At our century God proved for us that Quran is only leader for all time and **666** is identity for Quran (please refer to <http://www.universalunity.org>)

Only leader in all time is Quran not any other person and 666 is identity for Quran. Emame zaman is Quran and only person with this property is Quran therefore we have :

666 = Quran = leader of time = Emame zaman

Mahdi:

Many of Muslims believe that some persons will come and guide people to right path. Brothers and sisters the matter that has been said to me from GOD in my dream and this matter isn't from myself :

God will send 666 men until day of resurrection , these men are messengers of God. They guide people to right path by Quran Therefore we have: Mahdi=messengers of God that call to GOD Alone according to Quran and number of them until day of resurrection is **666**.

Or

666 = Men of GOD = Messengers of GOD = Mahdi

Brothers and sisters this matter isn't from myself . Now Sunni and Shia sects must accept 19 as miracle of Quran and reject their hadith books.

This matter was said in 6/6/2006 (**6/6/6**) or 666) by me.

For understanding meaning of Mahdi refer to part :
<http://www.sharemation.com/nun1/mahdi.pdf?uniq=-brsele>

Jesus and kingdom of heaven:

Christians and many of Muslims are waiting Jesus come back but Jesus won't come back , because Jesus has promised another messenger after himself. At now Jesus is in heaven ;How he will come back to this world full of sin and dirty works!!!. If he come back ; he wouldn't speak with us.

وَإِذْ قَالَ عِيسَى ابْنُ مَرْيَمَ يَبْنِي إِسْرَائِيلَ إِنِّي رَسُولُ اللَّهِ إِلَيْكُمْ مُصَدِّقًا لِمَا بَيْنَ يَدَيَّ
مِنَ التَّوْرَةِ وَمُبَشِّرًا بِرَسُولٍ يَأْتِي مِنْ بَعْدِي اسْمُهُ أَحْمَدُ فَلَمَّا جَاءَهُمْ بِالْبَيِّنَاتِ قَالُوا
هَذَا سِحْرٌ مُّبِينٌ

[61:6] Recall that Jesus, son of Mary, said, "O Children of Israel, I am GOD's messenger to you, confirming the Torah and bringing good news of a messenger to come after me whose name will be even more praised (Ahmad)." Then, when he showed them the clear proofs, they said, "This is profound magic."

That messenger was prophet Mohamad, and at our time the message of Jesus would be continued by Another one. message of Jesus was "kingdom of heaven"; and at our time this message would be continued in here (www.usn2161.net). Brother Muslim and Christian please read this website carefully.

Brother christian we don't make difference between messengers of GOD. We don't say Mohamad is better than Jesus. Dear brother Christian I love you and I am not your enemy and this matter isn't from myself. We and you must follow message of Jesus based on Quran at new form. If you are right and you want follow Jesus, you must follow message of Jesus [based on Quran](#). Quran has message of all prophet. Quran isn't only message of Mohamad. Message of Prophet Jesus is in Quran. Quran is complete book that mathematician has been proved and letter by letter of it is from GOD. some of bible is from God too but if you want know what said Jesus really , you must read Quran.

[28:53] When it is recited to them, they will say, "We believe in it. This is the truth from our Lord. Even before we heard of it, we were submitters."

Dear brother Christian , Shia and Sunni this is the fulfillment of Mahdi and returning Jesus. Thus, GOD does not change the condition of any people unless they themselves make the decision to change.

Fortunately at these days (6/6/2006) leader of terrorist **Abu Masabe Zarqawy** was killed. this accident has good message that Islam or submission (religion of Abraham) is religion of Peace and no compulsion in religion.

[28:53] When it is recited to them, they will say, "We believe in it. This is the truth from our Lord. Even before we heard of it, we were submitters."

Three component in 68:1 are : 1- نون 2- القلم 3- ما يسطرون

GV of three Above Factors are: 106 , 201 , 376

106+201+376+666 men =1349=19*71

These Matters was said by me.GOD had selected me for this duty.This matter confirmed by many relation:

GV of my name is **273**.GV of the pen ("Alqalam" in Arabic) is **201**.

$$273+201+666 \text{ men}=1140=114*10=19*60$$

$$273201=19*14379$$

My name has **9** letters and word Alqalam in Arabic (القلم) has **5** letters.

$$9+5=14 \text{ (Noon is } 14^{\text{th}} \text{ initialed letter)}$$

GV of my name is **273**.Gv of pattern Nun (نون) is **106** .

$$273+106+666 \text{ men}=1045=19*55$$

$$273106=19*14374$$

Gv of my name is **273**.GV of verse 68:1 is **695**.

$$273+695+666 \text{ men}=1864=19*86$$

$$273695=19*14405$$

verse 68:1 and 96:4 are about pen. GV of verse 68:1 is **695** and GV of verse 96:4 is **1084**.

$$273+695+1084=2052=19*108$$

At time of discovering these orders , Fahad Ben Abdulaziz king of Saudia Arabia passed away.Now i understand why God has made this two accident synchronously. Because he was from group whom that were printing many other versions like Warsh only for **Medinean Fanatic**.but medinean isn't licence for God.this matter confirmed with another relation.

Gv of Fahad Ben Abdulaziz (فهد بن عبدالعزيز) is 342(**19***18).

And his name has **14** letter and he passed away in 1/8/2005.

$$1+8+2005=2014=19*106$$

GOD is glorified!

Verse 36:3 is read for me in my dream.

انك لمن المرسلين [٣٦:٣]

[36:3] Most assuredly, you are one of the messengers.*

GOD is glorified!

As'ad

<http://quranmessage.blogspot.com>

Praise be to God, Lord of the universe.
