Correction of letter Alef part 4

Somedays ago brother Hasan introduced me link of Tashkent quran. i was comparing the Tashkent quran with Quran under hand. Correcting an initial letter like Sad is possible but many of words in Arabic can be written with/without Alef. Therefore Correcting Alef isn't easy. GOD has saved Alef with aproximation.

Has GOD predicted all differences and errors in Quran?

Sura 30 starts with **ALM**:

[٣١:٠] In the name of GOD, Most Gracious, Most Merciful*.

[30:1] A. L. M.*

[٣٠:٢] Certainly, the Romans will be defeated.

[٣٠:٢] In the nearest land. After their defeat, they will rise again and win.

[٣٠:٤] Within **several years**. Such is GOD's decision, both in the first prophecy, and the second. On that day, the believers shall rejoice

[30:4] فِي بَعْضِ سِنِينَ ۗ لِلَّهِ الْأَمْرُ مِنْ قَبْلُ وَمِنْ بَعْدِ ۗ وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ

[٣٠:٤] Within **several years**. Such is GOD's decision, both in the first prophecy, and the second. On that day, the believers shall rejoice

GOD has predicted the winning for Roman but he has said " **several years** " not seven or six years. He hasn't defined the years by numbers at verse 30:4 (**304=19*16**) . GOD has predicted by approximation. Saving Alef by GOD is like this. GOD almighty has saved Alef approximately (99.9999%) .

Such is GOD's decision

When I saw the Tashkent version , I didn't see any hamzah in it but Golden quran has it.

Conclusion:

1-First qurans after prophet mohamad hadn't hamzah and vowels Like Tashkent.

2-Second series of qurans had hamzah and vowels like Golden quran.

3-Hamzah and vowel is from GOD. Hamzah and vowels have relation with recitation.

Because quran isn't only script. It is included two part that we have received it through history by GOD will.

According to technology of time of prophet Mohamad:

Quran= Mushaf + Recitation
 Mushaf is the paper that written by prophet Mohamad Hand and Recitation is memory of writers of quran that prophet mohamad had taught them.

But according to technology of our time:

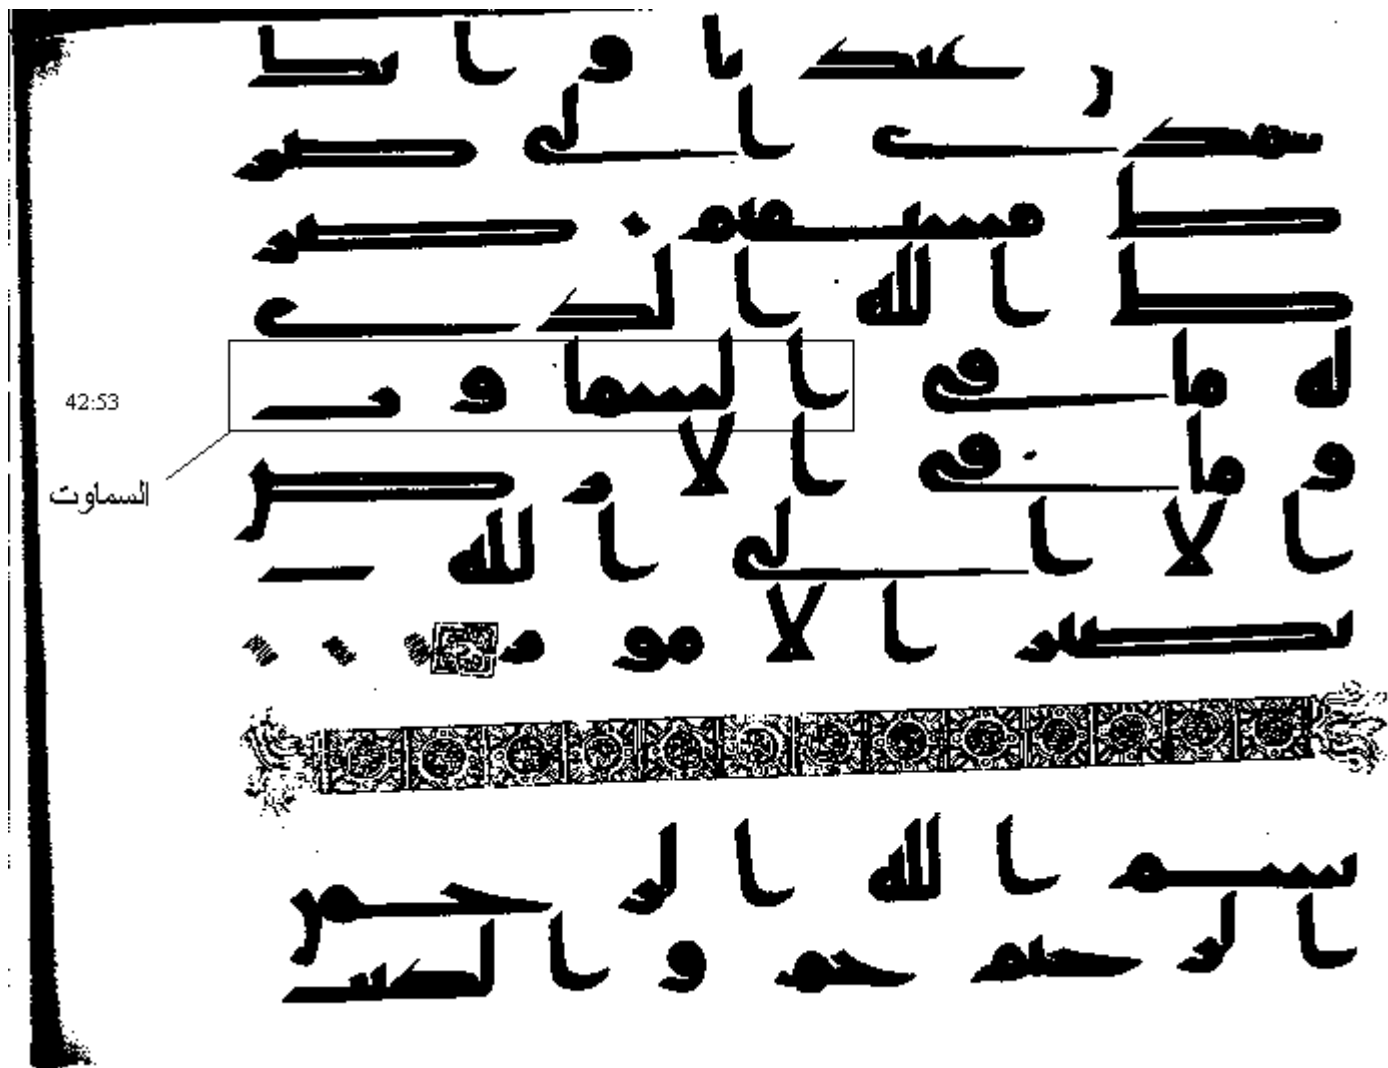

Quran= Mushaf and recitation both in one book

[٢٥:٢٩] ان الذين يتلون كتب الله واقاموا الصلوة وانفقوا مما رزقنهم سرا وعلانية يرجون تجرة لن تبور

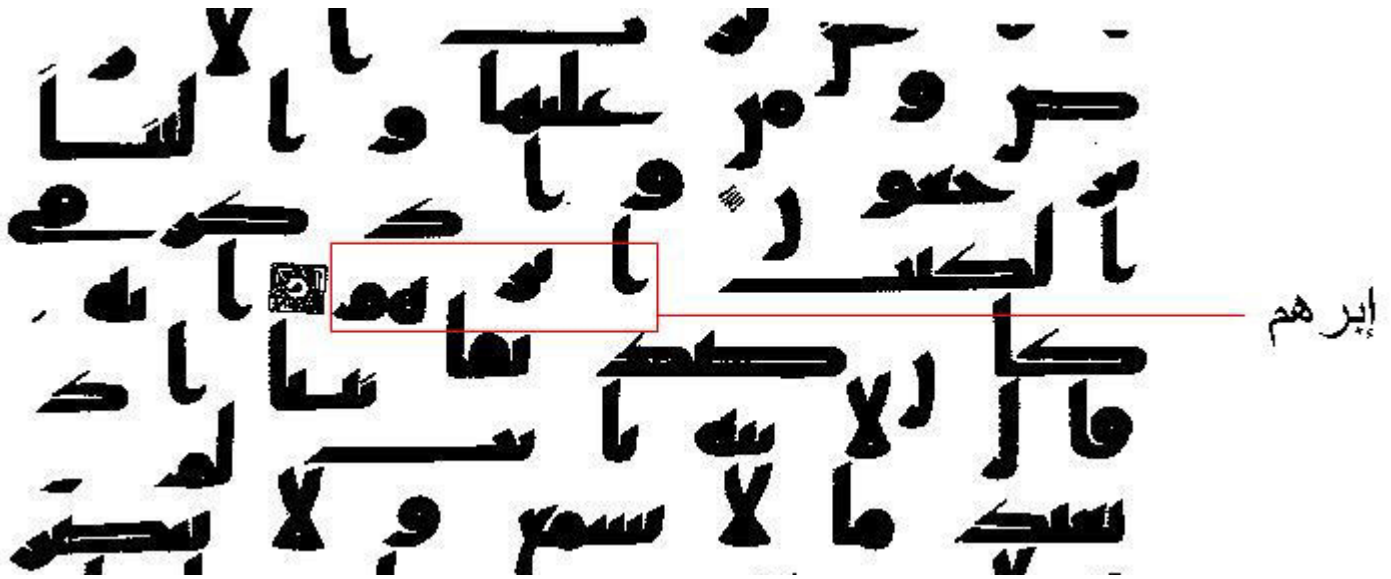

[٢٥:٢٩] Surely, those who **recite** the book of GOD, observe the Contact Prayers (Salat), and from our provisions to them they spend - secretly and publicly - are engaged in an investment that never loses.

4- The quran like Tashkent has only script. Therefore quran under hand is more complete than Tashkent. Tashkent version is good for study and using it as a witness but it is not complete quran. It means that we can't reproduce the quran by these old versions we can only use them as a witness. For correcting Alef we must use mathematical miracle of 19 with solid proofs. Inshallah at next part of alef (part5) I will show you how we can correct sura 3 by word **Becca** and how we can correct sura 7 by word **bastatan**.

5-Tashkent version has many errors in Alef. For example see the verse 42:53: In this verse word "السموت" has extra Alef that quran under hand hasn't it.

- 1- Please see the word "ابراهيم" in verse 19:41. The word Abraham must be written with **Ya** in the sura 19. Because the sura 19 starts with **KHYAS**. Count of **KHYAS** in the sura 19 is divisible by 19. But when we write the word Abraham without **Ya** (like in Tashkent version), therefore the count of **KHYAS** isn't divisible by 19 ; therefore the Tashkent version has some human errors too.

For understanding better Please come and see one error that we have received it throughout history. One of words that is spelled wrong through history and has been changed via human errors is word **Bastatan** in verse 7:69. Word Bastatan in arabic is بسطة. This Word in general Quran is written by **Sad (ص)** but it is false and it must be with **Seen (س)**.

[٧:٦٩] أَوْعَجِبْتُمْ أَنْ جَاءَكُمْ ذِكْرٌ مِّن رَّبِّكُمْ عَلَى رَجُلٍ مِّنكُمْ
لِيُنذِرَكُمْ^ج وَأَذْكُرُوا^ج إِذْ جَعَلَكُمْ خُلَفَاءَ مِنْ بَعْدِ قَوْمِ نُوحٍ وَزَادَكُمْ فِي
الْخَلْقِ^ط **بَسْطَةً** فَاذْكُرُوا^ط آيَاتِ اللَّهِ لَعَلَّكُمْ تَفْلِحُونَ

[V:٦٩] Is it too much of a wonder that a message should come to you from your Lord, through a man like you, to warn you? Recall that He made you inheritors after the people of Noah, and multiplied your number. Remember GOD's blessings, that you may succeed".

God has saved this verse historically by his will. You can see the image of verse in Tashkent version of the quran (year 700 gregorian calendar). I don't say all words in Tashkent or Golden quran is true. Because these qurans have some errors too. GOD has predicted the change in word Bastatan and has hidden many relation specially for the word Bastatan for new generation after 14 century to strengthen the faith of the faithful.

Some great relations about word Bastatan:

1	Gv of this word is 76 (19*4). Initial letter Sad is mentioned on suras 7,19,38. Count of letter Sad in these three suras is 152(19*8).
2	Verse 7:69 hasn't Sad and has <u>one Seen</u> . Now consider all verses in Sura 7 that have one Seen but havn't Sad (like 7:69) . In this state we have 38(19*2) verses. (Table1)
3	Now consider all verses in Sura 7 that have one Sad but havn't Seen . In such state we have 19 verses. (Table2) Allahu Akbar!
4	In verse 7:69 there are <u>One Seen</u> and <u>zero Sad</u> . Therefore count of Seen in 7:69 is more than Sad.Now Consider all verses in Sura 7 that count of Seen is greater than count of Sad .In such state we have 114(19*6) verses. (Table3) Shattering!! Allahu Akbar!!
5	Initial letter Sad is mentioned on suras 7,19,38. Count of letter Sad in these three suras is 152(19*8) .Now consider all verses in these three suras that have One Sad and Have One Seen too.In such state we have 38(19*2) verses.(Table4)
6	Verse 7:69 has strange role in Quran.GOD has predicted all things.Now consider verse 1 to 68 in sura 7 (68 is before verse 7:69).In These 68 verses count of Seen and Sad is 114(19*6) .
7	Now we partition sura 7 by 19. Verse 7:69 is placed before partition 4 (verse 76(4*19)).Now consider verse 1 to verse 76 in sura 7. in Such state we have 95(19*5) letter Seen . GOD is greater!
