## ***Vietnamese Student Association Membership Form*** *(Updated Spring 2004)*

### **Our Mission:**

We are committed to preserving and promoting the Vietnamese culture at the University of Minnesota. We strive to support one another in academics and social endeavors to enrich the college experiences of those involved.

VSA is a student organization; therefore, participation and commitments of all members are vital. As a member of VSA, you are expected to support VSA's overall mission by:

- ◆ Actively participating in VSA meetings when required (approximately 4/9 meetings annually<sup>\*</sup>).
- ◆ Volunteering in at least one VSA event a semester.
- ◆ Understanding the VSA Constitution, mission statement, and policies.
- ◆ Supporting VSA during special events, such as Mid-autumn Festival (Trung Thu) and Vietnamese New Year (Tet).

These expectations will determine one's eligibility to vote, run for office, and placement in events with limited participants.

### **Rights as Members:**

1. Members shall reserve the right to see all documents concerning the treasury.
2. Members shall reserve the right to propose amendments to the Constitution by following Article VI, Section 2.
3. If a member is not satisfied with a particular decision made by the officers, he/she may propose an alternative to the solution and summon for a vote at a general meeting as described in Article VIII, Section 1.

By signing the Membership Form, you agree that you have read and fully understand VSA Mission Statement.
